

THIS IS A NON-COMPETITIVE, INSTRUCTIONAL DIVISION. NO STANDINGS WILL BE KEPT.

Parents may request in writing on the application for a player to move up to a higher level of play if a player has the ability to do so.

MGSL reserves the right to change any divisions, playing fields, schedule times, or days of play in accordance with registrations received.

GENERAL RULES

1. Unless specifically changed by the following rules, USSSA SLOW PITCH 2018 rules will prevail.
2. The distance between the bases shall be 50 feet.
3. The distance between the home plate and pitcher's mount shall be 32 feet. There will be a circle of fifteen (15) feet in diameter around the pitcher's plate. The Manager may pitch from anywhere within the circle to give the batter the best chance of hitting the ball.
4. The game ball shall be an official USSSA 11 inch softball.
5. Maximum of 12 teams in the Pigtail Division. Games will be played on Monday and Wednesday at the Mentor High School fields #5, #6, or #9 and any fields deemed necessary.
6. The team roster will have a maximum of 14 players per team.
7. There shall be a 12 game schedule played in the Pigtail Division.
8. **GAME TIME:** Game times shall be 6:00 P.M. & 7:15 P.M. Four (4) innings shall constitute a game. No new inning shall start 1 hour and 10 minutes after the start of the game. The Umpire will use his judgment in calling the game due to darkness or weather.
9. **OFFICIAL GAME:** An official game shall be three (3) complete innings. This is a non-competitive division and all games will have a tied score. If the game needs to be rescheduled after it has started, it will be according to the rescheduling procedures. Regular Season games will start from scratch when rescheduled.
10. **WARM-UPS:** For the first game, the team listed first on the schedule sheet (Home Team) will have warm-up time from 5:30 to 5:45 P.M. The second team listed (Visitor) will have warm-up time from 5:45-6:00 P.M. Teams for the second game will warm up on the side lines and be ready to play promptly at game time. There will be no leeway time called for the second game. If field time is available before the second game, it will be shared equally by both teams.
11. There shall be a minimum of 8 players by game time in order to play. If less than eight players of one team are present at game time, the Managers will agree to **BORROW PLAYERS FROM THE OPPOSING TEAM SO THE TEAMS CAN PLAY.**

12. The entire roster will play on the field. There is to be a maximum of eight infielders. The infield positions will consist of a catcher, pitcher, first base, second base (positioned next to the base), third base, short stop, rover (between first and second base) and short center (behind second base midway between the base and edge of grass). All other players will be positioned on the outfield grass. Every player who is present at the game will bat in order and will play all innings unless injured.
13. **COACH PITCH:** A Coach will pitch for the entire game. The batter gets six (6) pitches to hit the ball fairly. Not hitting the ball fairly within six (6) pitches constitutes and out. The last pitch of an at-bat cannot be a foul ball.
14. Once the Coach of the team at bat has taken his place on the pitcher's mound, the Manager of the team in the field will position his pitcher next to the pitching Coach to field the ball.
15. If the pitching Coach is hit by a batted ball, the ball is dead. Runners return to their original base.
16. While the Coach is pitching, the batter cannot walk.
17. If the pitcher fields the ball within the pitcher's circle, she must throw the ball to make an out. She cannot try to outrun the base runner. If the pitcher fields the ball within the circle and runs it home, the runner will be called safe.
18. There will be no extra bases awarded on overthrows.
19. There will be a limit of five (5) runs scored per team per inning end an inning. This rule applies to all innings.
20. There is no deliberate rolling of the ball to any base to create an out. If done, the runner is awarded the base to which they are running, plus the next base.
21. The batter must take a full swing at the ball.
22. No bunting is allowed.
23. Double Base Hit: If a batter hits a ball into the outfield, they may attempt to reach second base. The batter cannot advance beyond second base and, in advancing from first, the batter is still in play and the defending team may attempt to get the batter out. Base runners in this instance may also attempt to advance two bases but are also still in play and may not advance more than two bases.
24. No lead-offs shall be taken at any base until the ball is hit. Any runner leaving the base before the ball is hit will be given a warning. If the instance occurs again, the runner will be called out.
25. Throwing the bat by a batter shall constitute a warning. The second time a player throws the bat, the player is automatically out. The ball is dead. **THIS RULE WILL BE STRICTLY ENFORCED.** A batter removed from the batting lineup for accidentally throwing the bat is NOT an out when her turn at bat comes around again.
