

**THIS IS A COMPETITIVE DIVISION AND STANDINGS WILL BE KEPT.**

*Parents may request in writing on the application for a player to move up to a higher level of play if a player has the ability to do so.*

**MGSL reserves the right to change any divisions, playing fields, schedule times, or days of play in accordance with registrations received.**

**GENERAL RULES**

1. Unless specifically changed by the following rules, USSSA SLOW PITCH 2017 rules will prevail.
2. The distance between the bases shall be 60 feet.
3. The distance between the home plate and pitcher's mount shall be 40 feet. There will be a circle of sixteen (16) feet in diameter around the pitcher's plate. This rule will be strictly enforced by all teams in this division.
4. The game ball shall be an official USSSA 11 inch softball.
5. Maximum of 8 teams in the Juniors Division. Games will be played on Tuesday and Thursday at Ridge Middle School, or any fields deemed necessary.
6. The team roster will have a maximum of 14 players per team.
7. There shall be an 11 game schedule played, plus end-of-season Playoff games.
8. **GAME TIME:** Game times shall be 6:00 P.M. & 7:15 P.M. Five (5) innings shall constitute a game. No new inning shall start 1 hour and 10 minutes after the start of the game. The Umpire will use his judgment in calling the game due to darkness or weather. Upon reaching the time limit, the game will be considered officially completed once the inning in progress has finished regardless of how many innings have been played. The official start time of the game begins at the end of the pre-game conference (by the Umpire's watch). A new inning begins as soon as the third out is recorded in the previous inning. The game may be ended if one team is leading by 13 runs after 4 innings.
9. **OFFICIAL GAME:** If rule # 8 was not completed or the Umpire calls a game due to weather or darkness, a game will be considered official if 1 hour and 10 minutes of the game has been played or 4 innings (3 ½ if home team is leading) were completed. Therefore, the score will be official as recorded by the Home Team at the time the game was called. If the game is tied and it can be called "official", it will be declared a tie. If the game needs to be rescheduled because it could not be declared "official", it will be according to the rescheduling procedures. Regular Season games will start from scratch when rescheduled. This "from scratch" rule does not apply to Playoff games.
10. **TIED GAME:** A tied game is a tied game. No extra innings will be played. If a game is declared a tied game, the record shall be listed as a half win/half loss. The Umpire will use his judgment in calling any game due to darkness or adverse weather.

16. The ball is dead after a batted ball has been returned to the pitcher; the pitcher has control of the ball and is within the pitchers circle. The ball is not dead if it has been thrown over, or through the pitchers circle and not controlled by the pitcher.
17. No lead-offs shall be taken at any base until the ball is hit. Any runner leaving the base before the ball is hit will be given a warning. If the instance occurs again, the runner will be called out.
18. Throwing the bat by a batter shall constitute a warning. The second time a player throws the bat, the player is automatically out.
