

THIS IS A COMPETITIVE DIVISION AND STANDINGS WILL BE KEPT.

MGSL reserves the right to change any divisions, playing fields, schedule times, or days of play in accordance with registrations received.

GENERAL RULES

1. Unless specifically changed by the following rules, USSSA SLOW PITCH 2017 rules will prevail.
2. The distance between the bases shall be 65 feet.
3. The distance between the home plate and pitcher's plate shall be 50 feet.
4. The game ball shall be an official USSSA 12 inch softball.
5. Maximum of 14 teams in the Adult Co-Ed Division. Playing nights are Monday or Tuesday or Wednesday or Thursday at the Civic Center fields, or whatever fields deemed necessary.
6. The team roster will be a maximum of 14 players per team.
7. There shall be an 11 game schedule played, plus end-of-season Playoff games.
8. **GAME TIME:** Game times shall be 7:15 P.M and 8:30 P.M. Seven (7) innings shall constitute a game. No new inning shall start 60 minutes after the start of the game. The Umpire will use his judgment in calling the game due to darkness or weather. Upon reaching the time limit, the game will be considered officially completed once the inning in progress has finished regardless of how many innings have been played. The official start time of the game begins at the end of the pre-game conference (by the Umpire's watch). A new inning begins as soon as the third out is recorded in the previous inning. The game may be ended if one team is leading by 20 runs after 3 innings, 15 runs after 4 innings, and 10 runs after 5 innings.
9. **OFFICIAL GAME:** If rule # 8 was not completed or the Umpire calls a game due to weather or darkness, a game will be considered official if 1 hour of the game has been played or 4 innings (3 ½ if home team is leading) were completed. Therefore, the score will be official as recorded by the Home Team at the time the game was called. If the game is tied and it can be called "official", it will be declared a tie. If the game needs to be rescheduled because it could not be declared "official", it will be according to the rescheduling procedures. Regular Season games will start from scratch when rescheduled. This "from scratch" rule does not apply to Playoff games.
10. **TIED GAME:** A tied game is a tied game. No extra innings will be played. If a game is declared a tied game, the record shall be listed as a half win/half loss. The Umpire will use his judgment in calling any game due to darkness or adverse weather.

The field may only ever consist of one male more than females. Free substitution is allowed and every player will bat in regular rotation whether playing defensively at the time or not. A team playing with less females than males, may rotate females in batting line-up order as to not have two (2) males batting back to back unless it is at the top of the batting order and at the bottom of the batting order. **No player is to sit the bench for 2 consecutive innings. This rule must be strictly enforced.** Four players will play in the outfield. All outfielders must be positioned on the grass portion of the outfield prior to the release of the pitch. 16. **UNIFORMS:** All players will wear the team uniform which consists of the team t-shirt/jersey and socks provided by the League. Each player is to supply black bottoms, whether pant or shorts. 26. **CATCHERS:** Catchers must wear a catcher's helmet.
27. **HITTING STICKS:** Non-competitive divisions (T-Ball and Pigtail) are NOT ALLOWED to use a hitting stick. Competitive divisions (Juniors, Seniors, Adult Co-Ed and Fast Pitch) may use a hitting stick in PRACTICE ONLY. No hitting stick is allowed to be used at scheduled League games.
28. **PLAYER SURRENDER RULE:** The runner must surrender a play if it is apparent he/she will be out while approaching the next base. Any player that is ejected from the game by the home plate umpire for bodily contact or deliberately pushing/knocking over another player, the team manager and player will be suspended from the next two games they are scheduled to participate in. This is a Recreational League and aggressive unsportsmanlike conduct on the ball field will not be tolerated.
29. **COURTESY RUNNER:** If a courtesy runner is needed, it will be the last recorded out made by the player of the same sex. If no player of the same sex has recorded an out, the player of the same sex listed last in the batting order shall be the courtesy runner. The batter will need to make it to first base before a courtesy runner is granted for injury. Courtesy runners are only to be used for injured players.
30. **CONTINUOUS BATTING:** All divisions have a continuous batting order. Your roster is your batting line up. Your batting order must alternate sex so that two male batters may never bat consecutively. If necessary, two females may bat consecutively or there may be a male at the top of the roster and a male at the bottom of the roster. If a player is late to the game, she/he is placed at the end of the batting order. If a player must drop out of the game, it is NOT an out when their turn at bat comes around again. She/He may return to the game but will be placed at the bottom of the batting order. The same goes for a batter removed from the batting lineup for accidentally throwing the bat, it is NOT an out when their turn at bat comes around again. The opposing team shall be notified of any change in the batting line-up immediately.

31. **HOME RUN RULE(Over the Fence):** Each team is allowed two (2) over-the-fence homeruns per game. Each one after that, the batter will be declared an "out". The runners return to the base they began from. If this results in the third out of the inning, the inning is over.
32. **WALKING:** A male batter, who has 4 straight balls, shall be awarded second base. Base runners advance only if forced to vacate their bases. The following female batter may choose to bat or to take first base. In all other instances, it is normal softball rules.
33. Throwing the bat by a batter shall constitute a warning. The second time a player throws the bat, the player is automatically out. The ball is dead. **THIS RULE WILL BE STRICTLY ENFORCED.** A batter removed from the batting lineup for accidentally throwing the bat is NOT an out when her turn at bat comes around again.
34. **SMOKING/ALCOHOL:** No alcohol is permitted in the Park by City Ordinance. No smoking is allowed on the field or in and around the dugouts.
35. **SCOREBOOK:** The Home Team's scorebook will be used as the official scorebook and is responsible for recording the official start time from the Umpire's watch (see rule #8). CLARIFICATION OF MENTOR GIRLS SOFTBALL LEAGUE “NO COLLISION” RULE

Pigtail: Sliding is NOT permitted. The runner will be called out but diving back to the base IS allowed.

The following is from the USSSA Head Fast Pitch Umpire:

“Sliding is never mandatory at any base including home plate. A runner must give up, avoid or slide. The runner is not out, if they do not slide. A runner may be called out if they crash into a player that is standing on a base with or without the ball. The runner must give up, avoid or slide. If the fielder does not have the ball and is blocking the plate, the runner still cannot intentionally crash into the defensive player. If while avoiding the defensive player who is illegally blocking the base, the runner misses the base, the Ump is to call the runner safe due to defensive obstruction....I cannot state it any simpler, do not call a runner out for not sliding.”

Al St. John

WHEN APPROACHING A BASE, THE RUNNER MUST:

1. When there is a play at home plate, slide OR avoid contact with the catcher or defensive player by side stepping, stopping, or moving around the defensive player.
2. Be in the act of sliding, if contact is unavoidable.
3. The slide must be a legal slide (ex: feet first unless diving back to base).

FAILURE TO ABIDE BY ANY OF THESE CONDITIONS WILL RESULT IN THE RUNNER BEING CALLED OUT AND EJECTED FROM THE GAME.

ANY BODILY CONTACT WITH THE CATCHER BY THE BASE RUNNER WILL RESULT IN THE RUNNER BEING CALLED OUT AND EJECTED FROM THE GAME, UNLESS THE RUNNER IS ATTEMPTING TO AVOID THE CONTACT OR IS IN THE ACT OF SLIDING.

**THIS RULE CLARIFICATION IS NECESSARY FOR OUR CONTINUING
COMMITMENT TO THE SAFETY AND PROTECTION OF ALL OUR PLAYERS.**
